

20th February 2010

Join us on Saturday 20th February for a scenic run to the Midland Air Museum which features aircraft constructed in the local area particularly those of the Armstrong Whitworth company including the Argosy freighter. An Avro Vulcan is one of many great exhibits at this museum on the edge of Coventry Airport. The museum is also home to the Sir Frank Whittle Jet Engine Heritage Centre which follows on nicely from last years CTM Run with the modernistic "Whittle Arch" in front of the Coventry Transport Museum.

The day will continue with the MGF Register AGM to be held at the Allesley Hotel, Coventry followed by a banquet at the hotel in the evening.

For those staying the night there is the opportunity to visit the MG International Show & Spares day on Sunday 21st February at nearby Stoneleigh National Agricultural Centre where the MGF Register will have its own stand.

Rooms are available at the Allesley Hotel, Birmingham Road, Allesley Village, Coventry, CV5 9GP at £49 per double room per night b&b or £45 single

Contact number; 02476 403272
