

STEAMING CHARITY RUN

SUNDAY 31st MAY 2009

The MGF Register is going off the rails....or to the Buckinghamshire Railway Centre actually.

For our second charity run of 2009 we will be re visiting the age of steam following a scenic run through the Midlands to allow you to enjoy the countryside in your MGF/TF or other MG in the friendly company of other enthusiasts.

The run will finish in plenty of time to enjoy your discounted entry to the railway Centre and the attractions that it offers . Buckinghamshire Railway Centre is a working steam museum where you can step back in time as you stroll amongst the giants of the steam age displayed at its spacious 25 acre site. The Centre boasts one of the largest private railway collections in the country with many steam locomotives from express passenger types to the humble shunting engine, as well as numerous interesting items of rolling stock. These include a coach from the Royal Train of 1901 and another used by Winston Churchill and General Eisenhower for wartime planning meetings in 1944.

The run is for charity and we would ask you to make a donation to the MGF Register's chosen charity for 2009, the Stoke Mandeville Spinal Foundation. To do this we have a "Just Giving" page set up on the internet to allow you to donate any amount you wish, subject to a minimum of £5 per car. Donating in this way allows the charity to claim an extra amount from the government in Gift Aid as long as you are a UK tax payer. To donate online please go to

Should you wish NOT to make your donation online please complete the form below and add a minimum £5 donation to your entry fee.
