# WHERE'S WIRRAL ?

We're in search of the Wirral as we return to our end of Summer weekender events. Right on the doorstep of Liverpool we'll be based at the Ship Hotel in the seaside town of Parkgate overlooking the wildlife reserves of the Dee estuary. So expect a trip through the Mersey tunnel as well as some scenic runs in the Cheshire countryside. There'll be a reception on Friday evening and gala dinner on Saturday evening with runs out on both the Saturday and Sunday.
