Quote "Ian Wright"***

We the Tribe is going on Tour up through the heart of the country taking the scenic route from Birmingham to the beautiful High Peak National Park. We'll be having a two-night stay at the Pack Horse Inn on a B&B basis, with the pub offering great value evening meals. We'll be taking in the sights of Snake Pass, Ladybower and Derwent Reservoirs and Woodhead Pass just to name a few. The usual mix of fun and banter is most definitely on the menu too. As limited number of rooms, don't delay getting yours reserved.

***Rooms are not reserved, so it's get in early or loose out***
